The Steffano's Story

In 1982, out of a six hundred square foot shop on Euclid Avenue, Ron and Deb Stefaniuk started a U-bake pizza joint with a loan from a generous aunt. The new concept of bake your own pizzas was seen as crazy by some, but Ron and Deb had a vision. With hard work and long hours in the early years, they have built a well known and respected eating establishment. Over the course of the next 37 years, Steffano's has been in a state of continuous evolution. Early on Ron and Deb realized that just providing pizza would not satisfy every customer. To increase the depth of the menu, they decided to add submarine sandwiches, but not the small, light sandwiches typical on many restaurants' menus – but a large, overstuffed, ingredient rich submarine – made fresh to the customer's specifications.

As their customer base expanded, so did their need for space. After five years on Euclid Avenue, they made a move to Main Street, next door to Knox Flower Shop. The additional room allowed seating for about thirty as well as expanded kitchen and food preparation areas. The menu continued to expand as their famous pizza rollups, various subs (like the meat ball and steak subs), deli sandwiches and popular soups were created, refined and perfected. For over seventeen years at this location Deb and Ron worked tirelessly to provide superior customer service, outstanding food and relaxing atmosphere for their customers. After expanding, satisfied customer base had Ron on the hunt for a new location. This time the move was a short one – two blocks East to their present location. More space was available inside and a large parking lot was now available outside. Being in their own space allowed Deb to decorate and show off some of her collection of fifties and sixties memorabilia... a decade popular with both Deb and Ron.

Steffano's continues to move forward, adding more menu items, like their great ribs, and undergoing constant decoration changes as Deb's collection expands.

Ron and Deb are proud of their success and proud to be members of the Helena community, a community they feel they have supported and, in turn, has supported them through the years. As Shilo and Dennis begin their careers in the family business, the future looks bright for Steffano's and for pizza and sub seeker's in the Helena area for many years to come. Ron and Deb would like to thank their customers, their wonderful employees, many whom are now adults with children of their own, and their families for their support and hard work over the past thirty-two years.
